

Ascension of Our Lord's School of Religion is established to provide formal religious education of our Catholic faith and to nurture a growing relationship with God: Father who loves and creates us, Jesus our brother and Savior, and Holy Spirit who breathes in us the fire of faith.

The ministry is extended not only to the children enrolled in the program, but to their families as well.

It is the family (the Domestic Church) that children come to experience faith as a lived response to the presence of God in their lives. It is the experience of everyday family life that children see and imitate a

desire to continue in a relationship with Jesus and his Church.

Ascension of Our Lord's School of Religion offers religious instruction for children in grades 1-12, not enrolled in a Catholic School. Classes are held on Mondays from 6:00-7:30 PM during the school year. All classes are held in the Ascension of Our Lord School building.

Our students are taught by certified catechists who strive to lead our children into a deeper relationship with God. This is accomplished through the imparting of knowledge of our faith as well as providing opportunities for spiritual and moral growth through enrichment activities such as: attending Mass, reconciliation services, retreats, reciting the rosary, Stations of the Cross, and Adoration Chapel visits.
